About Us

Siddhi Vinayak Multispecialty Hospital is a name synonymous with advanced patient care in kashipur, having a humble beginning around 3 years, opp. Mandi police chowki, sarwarkhera Moradabad road kashipur, the institution has now grown to become a multispeciality healthcare provider for all walks of life in the region. Presently Siddhi Vinayak Multispecialty hospital, kashipur with its 50 beds is pursuing the aim to deliver world class patient care services in a comprehensive manner to every individual with an emphasis on quality, service excellence, empathy and patient respect ever since it's beginning. It provides most modern medical care by best brains in medicine, surgery, gynecology, pediatrics & orthopedics department and tender care by skilled nursing staff.

The hospital has constant support from 10+ qualified and professional consultants, 5 emergency medical officers, 50+ nurses, technicians, administrative and support staff. The hospital has well equipped critical care unit ICU & NICU, 2 OTs (Operation Theater) 24 hours in house pathology and its own ambulance facility for transportation of critically ill patients. Care, personal touch that patient experiences and its friendly environment is the key differentiator from other hospital. Airy, tidy & spacious environment in soothing volume gives positive vibes in whole hospital.

Managing Director's Message

Siddhi Vinayak Multispecialty hospital, Kashipur is an institute matching the highest standards of the healthcare with affordable healthcare services in a friendly environment with a strong belief in ethical and transparent medical practices and a culture of care and compassion. We believe that continued good health is most essential for a person's happiness and well being. SVH has established itself as a comprehensive healthcare system providing multispecialty care services to the community.

At SVH, we have medical practitioners in respective fields, offering not only top of the line medical and clinical facilities, but also quality education and training. We have carved a niche for our self in uttarakhand healthcare industry by excelling in multi specialty treatment, complex surgeries, international expertise and state of art infrastructure. We have committed to serving the sick and old communities by delivering the highest quality patient care to them at affordable prices. We are the only hospital in kashipur with the availability of top class medical teams round the clock. The 50 bedded hospital has over 10 specialist and 5 full time doctors, 50 nurses and about 15 paramedics and we are evolving day by day.

We have the team of doctors, renowned in their fields of expertise, demonstrating empathy, with a team of most compassionate and well trained nurses, so that every patient receives the most loving care. The journey for the SVH team has been challenging and with every challenge we faced, we emerged as a compassionate healthcare organization delivering world class patient care services with emphasis on quality and service excellence- building a bond of trust with all our patients. At SVH we have state of art equipment and surgical solutions with the best medical mind, all coming together seamlessly to deliver demonstrably superior result. Thanks to my team for their continued contributions in the development of this vibrant organization.
